

Village of Lawton
Village Council Minutes
Executive Session
December 10, 2019

President Reeves called the meeting to order at 7:58 pm

President Reeves informed the Council that the Teamsters Local 214 has submitted a letter requesting to negotiate wages, hours and benefits. President Reeves recommended the Council form a negotiating team comprised of Manager Bishop as spokesperson, the Finance and Administration Committee, comprised of himself, Council Trustee's Knudstrup and Peterson with Council Trustee E. Dudek as an alternative and Chief J. Mack.

The Village Council reviewed the offer submitted by Next Gen LLC to purchase the ball fields owned by the Village. They proposed to purchase land currently owned by Duane Pack as a replacement field(s) and give the Village \$50,000 to develop the land into ball fields in exchange for a "swap" of the current 27 acre ball fields. The Village Council felt this was not a satisfactory offer and directed the Manager and President Reeves to continue conversations with the company.

Moved by J. Appleby, supported by E. Dudek to reconvene into general session at 8:26 pm.

Ayes: J. Appleby, E. Dudek, G. Dudek, P. Knudstrup, J. Peterson, R. Reeves, R Turner

Nays: None

Absent: None
