

Request for Appeal (Variance) Zoning Board of Appeals A Step-By-Step Guide

1

Introductory Meeting with Planning Staff - Staff will assist the applicant by explaining the Zoning Ordinance Regulations/Standards. Staff review of a request usually indicates that a site plan proposed by the applicant does not meet the standards of the ordinance. If the applicant feels that they are unable to modify their plan to meet the requirements of the ordinance or if staff is mistaken in their interpretation of the ordinance they have the right to request an appeal from the Zoning Board of Appeals. The applicant is encouraged to contact adjoining and nearby property owners and occupants to discuss their project prior to the Public Hearing. A copy of the mailing information for the 300' notification can be obtained from Staff upon request.

2

Submission of Application – Applicant will submit their request to the Village Manager who will review it to make sure they have supplied all the necessary information including a site plan. If no Additional information is needed, staff will then schedule a meeting within 30 days. ***Fee must be received before any requests are processed.***

3

Public Hearing Notification – Staff will prepare Notice of Public Hearing (Ad in Newspaper, posted on Village Web Page, Village Facebook Page, Posted at Village Hall, mailing to all owners/occupants within 300' of property). *Noticing must be at least 15 days prior to meeting date.*

4

Public Hearing - Applicant shall present their case to the Board along with any correspondence in support of their request. Staff will give their report, the public is invited to speak on the request, and correspondence will be read into the record. Public Hearing will be closed.

5

Meeting – The Zoning Board of Appeals will begin their deliberation on the request. If the Board determines that no additional information is needed they will deliberate/take action on the request. They will either approve or deny the request. If the Board determines that additional information is needed they will postpone their determination until a specified date and schedule another meeting.

6

Permit – If approved, Staff will schedule a meeting to certify the minutes. Once minutes are certified staff will issue a Land Use Permit that states a variance was obtained and specify the variance granted.

****Average time depending on Staff availability, submission of application and Meeting Schedules approx. 30-45 days***
